PROFESSIONAL SUMMARY

Highly skilled Frontend Developer Instructor with extensive experience guiding and mentoring aspiring developers in cutting-edge frontend technologies. Adept at delivering comprehensive training programs in React, JavaScript, HTML, CSS, and modern frontend frameworks, ensuring participants gain practical skills and industry-relevant knowledge. Demonstrates a deep understanding of frontend architecture, responsive design, and performance optimization techniques. Proven track record in creating engaging, hands-on learning experiences and driving student success through innovative teaching methods and real-world applications. Committed to staying current with industry trends and best practices, equipped with strong problem-solving abilities and a keen eye for detail, and dedicated to advancing the skills and careers of the next generation of front-end developers.

KEY COMPETENCIES

- Unit Testing
- Cross-Browser Compatibility
- Performance Optimization
- UX/UI Design Principles
- Agile/Scrum
- Responsive Design
- RESTful APIs
- AJAX
- Webpack
- Git/GitHub
- HTML5
- CSS3
- JavaScript
- React.js
- Redux

EXPERIENCE

Frontend Developer Instructor
Little Programmer | June 2024 – Present

- Conduct advanced web development training for children, focusing on front-end technologies such as HTML, CSS, and JavaScript.
- Create and implement project-based learning modules to ensure the practical application of theoretical knowledge.
- Develop engaging and interactive instructional content tailored to young learners, enhancing their understanding of web development concepts.
- Provide personalized mentorship and constructive feedback, guiding students in completing and presenting their projects.

Frontend Developer Intern
CodeSoft | Jul 2024 – Sep 2024

- Participated in an intensive training program, executing frontend development tasks and meeting project deadlines.
- Demonstrated technical proficiency by completing assignments and reflecting on real-world development challenges and solutions.
- Gained hands-on experience with frontend development tools and methodologies, supported by formal training and performance evaluations.
- Developed a comprehensive understanding of industry practices and coding standards, contributing to skill enhancement and professional growth.

Frontend Developer Intern
Route | Mar 2024 – Sep 2024

- Engaged in diverse project assignments, applying frontend development skills to design, develop, and optimize web-based solutions.
- Integrated advanced functionalities and features into projects, ensuring alignment with best practices and technical specifications.
- Collaborated with development teams to address and resolve technical issues, improving overall project quality and efficiency.
- Achieved a formal internship certification, recognizing contributions and hands-on experience in a professional development environment.

EDUCATION

Bachelor's Degree In Computer Science – Assiut University | 2024
Grade | Very Good
Graduation Project | A+

COURSES & CERTIFICATIONS

- Frontend Developer – Route Acadmey | 2024
- Web Development – ITI | 2023
- Programming in HTML5 with JavaScript and CSS3 – Information Technology Institute (ITI)
- JavaScript Specialist Certification – Information Technology Institute (ITI)
